PETROGLYPH ADVISORY COMMITTEE
MEMBERS NEEDED

Curve Lake First Nation is designated by the Anishnabek-Union of Ontario Indians as the “Keepers of the Rock”. A committee has been formed to fulfill this responsibility. This committee is dedicated to the care and proper use of the Petroglyph site. We are in the process of defining the traditional use of the park in addition to who may be allowed on the rock itself. We need Curve Lake residents who are dedicated to the protection of this park, in order to direct the MNR in the care taking of this site.

Meetings are held quarterly however, more meetings may be required in the interim until the guidelines are finished. The first meeting is February 28, 2006 at 10. a.m. in the Council Chambers.

Please leave your name with the receptionist at the Administration office – 657-8045, if you would like to be a member.

NOTE: If you just want to share your input regarding the guidelines, please leave your name with the receptionist as well.

Petroglyph Advisory Committee.

IN MEMORY

What would I give, if I could say
Hello Sis, in the same way
To see you sitting there and chat awhile.
So those of you who have a Sister
Cherish her with care.
Cause you'll never know the heartache
Till you see the vacant chair.

Thank you for your care and love shown
When our Sister, Mother, Grandmother Brenda passed on.
Thank you for all the generous donations of food and your support.
It meant a lot to us.
She will forever be in our memories and our hearts.

Dear Fellow Community Members,

I am writing this letter to thank the community for their support while I established my new business. For those of you that don't know, I purchased the assets of Artech in Peterborough and have opened Added Value Promotions - a company that can get you any type of product you may want with your image on it. We specialize in clothing, but we are able to get you pretty much any product you want with your design on it. T-Shirts, golf shirts, team uniforms, pens, calendars, mugs, water bottles, gag t-shirts, whatever you want, we should be able to get it for you.

We are located at 23 Cedar Bay Rd and our phone number is 657-2555. Please feel free to drop by or call anytime. Our business hours are 9:00-5:00 Monday- Friday.

For an idea of pricing and the types of products we have, you can drop by to get a catalogue, give us a call or you can visit www.addedvaluepromtions.ca on the web. We will have seasonal specials on our web site and will do our best to get them into the Curve Lake flyer.

I would like to take this opportunity to thank all those in the community who have helped and supported me throughout the past 5 months with my business. Business is going very well and we will be looking to hire a summer student or two this year. If you will be 18 by the beginning of the summer and will be attending school in September 2006, you can bring us your resume. We expect to be hiring in early spring for positions to begin once school is finished.

Thank you again,

Shawn Taylor
