PETROGLYPH ADVISORY COMMITTEE
MEMBERS NEEDED

Curve Lake First Nation is designated by the Anishnabek-Union of Ontario Indians as the “Keepers of the Rock”. A committee has been formed to fulfill this responsibility. This committee is dedicated to the care and proper use of the Petroglyph site. We are in the process of defining the traditional use of the park in addition to who may be allowed on the rock itself. We need Curve Lake residents who are dedicated to the protection of this park, in order to direct the MNR in the care taking of this site.

Meetings are held quarterly however, more meetings may be required in the interim until the guidelines are finished. The first meeting is February 28, 2006 at 10. a.m. in the Council Chambers.

Please leave your name with the receptionist at the Administration office – 657-8045, if you would like to be a member.

NOTE: If you just want to share your input regarding the guidelines, please leave your name with the receptionist as well.

Petroglyph Advisory Committee.
